Family Voices 15th Anniversary Gala Celebration & National Conference

May 23-26, 2007

Washington, D.C.

Join **Family Voices** in our nation's capital for a **celebration of 15 years of family/professional partnerships** and accomplishments! Meet with **veteran and emerging family and youth leaders** and **national and state partners** from across the country. Gain new understanding of **current critical issues**: Medicaid policy, information technology, family-centered care, quality assurance, wellness, transition, youth perspective, cultural competence and much more. Use your voice to impact the future of health care for children and youth with special health care needs!

Don't miss this opportunity to explore examples of family-centered best practices for improving systems of health care for children and youth with special health care needs. **Working together as families, partners, and communities, we can move forward the agenda of health care and build a better future for our children.**
